Endless Potential with Breathtaking Views – 6-Bedroom Home on Palisiaweg, San Nicolas

Set high on the serene hillside of Palisiaweg in San Nicolas, this impressive 6-bedroom property offers space, privacy, and panoramic views that stretch across both Savaneta and San Nicolas. More than just a family home, this unique estate is bursting with potential, ideal for a private residence, a multi-family setup, or even a boutique hotel or bed & breakfast.

The layout of the property is expansive and functional. With six bedrooms, three full-sized living rooms, and two kitchens, there's enough space for large families, long-term guests, or independent rental units. Each area has been thoughtfully designed to maintain a sense of openness and comfort, while still allowing for privacy and separation when needed.

Imagine waking up to the fresh Caribbean breeze in your private garden, hosting family or guests in one of the multiple living areas or preparing meals in one of the two spacious kitchens.
