Casa Playa Residence – Unique Condos for Sale in the Heart of Aruba

Discover Casa Playa Residence, a distinctive condominium development where no two residences are exactly the same. With a variety of floor plans, sizes, locations within the building, and interior styles, Casa Playa offers buyers the opportunity to find a condo that truly matches their lifestyle and personal taste.

Condos Starting from US\$435,000

Available residences range from approximately US\$435,000 up to US\$950,929, with a selection of 1-bedroom, 2-bedroom condo's and only one 3-bedroom condo.

What makes Casa Playa Residence particularly special is the diversity of its units. Rather than offering identical apartments throughout the building, each condo has its own character. Different layouts, views, floor levels, and configurations create a collection of individual residences within one exceptional property.
