BUILD UP

80 m2

Modern 2-Bedroom Home in Paradera, Aruba – Pre-Construction

Prices starts from US\$ 348.382,=

This stylish 2-bedroom, 2-bathroom Luca House will be built in the peaceful Reina Sophia Residential community, located in the scenic Hooiberg area of Paradera. Enjoy nature, quiet surroundings, and quick access to Oranjestad, beaches, shops, and schools.

Highlights:

80m² of modern living space

Open-plan kitchen, dining, and living area

Bright interiors with large windows and sliding doors

Private balcony with Hooiberg views

Pre-Construction Advantage:

Build your dream home from the ground up. Choose your own lot and construction style to match your needs.

Quality & Comfort:

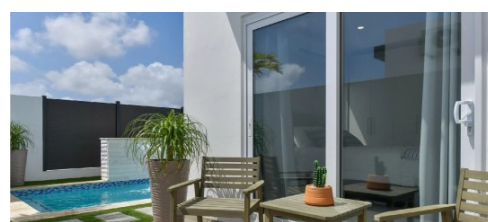

Reinforced concrete structure with solid block walls

Energy-efficient AC units in all rooms

Double-glass windows and waterproof roof

High-end finishes, including tiled bathrooms and modern kitchen

Customize your future home in one of Aruba's most desirable neighborhoods.
