St John II at Caribbean Town Aruba – for sale

Contemporary Townhouse Living Near Eagle Beach

US\$275,000

Discover St John II at Caribbean Town Aruba, a contemporary townhouse designed for buyers who appreciate modern architecture, efficient use of space and the convenience of living within a vibrant residential community.

With its private entrance, standalone townhouse design and private terrace, St John II offers a different living experience from a traditional condominium.

Located within Caribbean Town Aruba, the residence combines private living with access to the development's extensive community amenities.

St John II Residence

St John II offers approximately 74 m² of total private space, thoughtfully divided between the interior, private terrace and dedicated parking area.
